WELCOME TO BENGALURU'S LARGEST VILLAMENT COMMUNITY

BY THE HULIMAVU LAKE

EXCLUSIVITY OF A
VILLA
LIFESTYLE OF AN
APARTMENT

Cityville is an exclusive villament community, springing to life by the picturesque Hulimavu lake, just off Bannerghatta Road and behind Meenakshi Mall. Some 544 of the most luxurious duplex and triplex villaments dotted comfortably over a verdant green expanse of 28 acres. The villaments themselves are thoughtfully designed, with super built-up areas ranging between 2212 s.ft. and 3963 s.ft. Privacy is taken care of with just four villaments in a block, which come with their own garden or terrace garden, to let you explore the versatility of your green thumb. Isn't it time you explored the best of both worlds?

WITH 73% OPEN SPACES, LIFE
CAN'T BE
FAR BEHIND

Sandwiched between a hillock and lake, the villaments at Cityville seem to be the natural extension of the idyllic backdrop. The painstakingly manicured green expanses coupled with the breathtaking views of the lake seem to instill a feeling of serenity and tranquillity, a rarity in the city. Tastefully spruced up interiors to elevate your moods; a sprawling designer club house with a café lounge, swimming pools and the works to retain that song on your lips; thoughtful facilities like organic waste converters, rain water harvesting, solar water heating systems and sewage treatment plant to cater to the eco-conscious citizen in you. To be precise, you can take a man out of Cityville, but never the other way around.
